Website Security & Uptime Monitoring

Executive Security Posture Summary (Outside-In Assessment)

https://app.nordiccloud-demo.eu/ • Zero-Agent Live Scan • 2026-11-11 09:30:00 UTC • vioro.io

MONITORED SITE PLAN	TLS/SSL & HEADERS	ACTIVE FINDINGS	30-DAY AVAILABILITY
Deep Audit	**Valid**	**2**	**99.98%**
Verified Site Ownership	HSTS: Yes, CSP: Yes	1 JS CVE, 1 masked key	81 ms edge latency

EXECUTIVE SUMMARY — Security Posture Overview for Engineering Leadership & Stakeholders

Vioro continuously inspects https://app.nordiccloud-demo.eu/ from European vantage points over public HTTPS with zero server agents, zero CMS plugins, and zero private repository access. This Executive Security Posture Summary provides a shareable snapshot of live availability, TLS/SSL certificate health, browser security headers, domain anti-spoofing, client-side JavaScript dependency vulnerabilities, and exposed API credentials.

SITE & OWNERSHIP — Monitored Site & Verification Status

Monitored Site: https://app.nordiccloud-demo.eu/ (Sanitized Sample Property)
Report ID: a41e82d9-31b5-49f2-8c47-60d1e953f208 (Generated 2026-11-11 09:30:00 UTC)
Active Plan & Cadence: Deep Audit (2-minute EU uptime, daily JS bundle & secret inspection, Verified via DNS TXT)

PERIMETER & TLS — TLS/SSL Certificate, Browser Hardening & Email Anti-Spoofing

- **Transport & Browser Controls**
  - TLS/SSL Certificate: Valid (Let's Encrypt E6, 3-certificate trust chain, HTTP-to-HTTPS redirect enforced)
  - Browser Security Headers: HSTS: Yes, Content-Security-Policy (CSP): Yes, X-Frame-Options: Yes, X-Content-Type-Options: Yes
  - Email & Domain Protection: SPF: Yes, DMARC: Yes, CAA Certificate Restriction: Yes

THREATS & SECRETS — JavaScript Dependency Advisories & Exposed Client-Side Credentials

- **Prioritized Action Items (2 Findings)**
  - Client-Side JS Advisories: 1 confirmed vulnerability across 14 inspected production packages
  - Exposed Client-Side API Keys: 1 live restricted token detected in public JavaScript bundle (masked below)

```
[SECRET:stripe_restricted_key] rk_live_****8F2A in static.nordiccloud-demo.eu/assets/checkout.a91c4e.js
```

```
[GHSA-35jh-r3h4-6jhm / CVE-2021-23337] [JS Library] lodash 4.17.20 | CVSS 7.2 [Confirmed] Range: < 4.17.21 - Command injection in template
```

AVAILABILITY — 30-Day Uptime & European Hosting Footprint

- **Service Reliability**
  - 30-Day Rolling Uptime: 99.98% (2-minute HTTPS checks with 3-probe confirmation)
  - Latest HTTPS Response Latency: 81 ms | Hosting Network: AS24940, Hetzner Online GmbH (EU/DE)
